**2010 CAM Candlelight Service
for Kokomo's Thirteenth
Observance of the
National Homeless Persons' Memorial**

**People We Remembered
On the Longest Night of Winter ~ December 21, 2010**

We lighted candles and remembered 15 people - 9 Clients, 6 Volunteers and Supporters of CAM, Inc. Of the 9 CAM Clients, the adults ranged from 46 to 74. One of the 9 was a Veteran. Struggling with poverty, depression, and homelessness is a tough road to follow.

One poet of CAM wrote "I am a person

I am viable

I am loved as God's own child.

He is the reason

I want to do better each day.

And give thanks for those at CAM who care."
