

EAA Chapter 102 Meeting Minutes

6:30-7:00 Sign in and social time

7:00-7:30 Pot Luck Chicken dinner was enjoyed with 4 special dishes (all deep fried).

7:30-8:00 - Presentation by Dave of H2O cutting services

8:00-8:30 - Business meeting: Ry Keller

- Old Business – The trailer has been purchased and registered. We have 5 new chairs as well donated by Paul Parker.
- New Business – 50th anniversary event?, We need input from members on what we would like to do for your special event. We purchased four 8' folding tables so we now have seating for 50. We renewed our chapter insurance and sent in the annual report. We also donated \$100.00 to the National EAA to help meet a matching gift of \$100,000.00 donated by Pete Burgher. This money will be used for chapter development fund.
- What's new, upcoming events, announcements – Montana Aviation Conference March 3-5 2011 at Red Lion Colonial Hotel, Helena.
- Treasurer's/ new membership report: Russ Olson. We have \$1800.00 in the fund.
- Web site report: Dave Schmeeckle – new website links can be found and we had over 9600 unique visitors to our web site last year.
- Membership comments, questions, announcements, open discussion from members on all topics. Del repaired his tachometer and is flying the 108 Stinson.
 - The synergy project is looking for helpers to lay up composite. Contact John McGinnis - mc2@cyberport.net or 250-2220.

Next meeting location: TBD – we need suggestions for our special guest speaker:

Alan Jesmer, Product Support / Marketing

Precision Airmotive stands proudly as a world leader in the manufacturing of fuel controls for general aviation. By providing fuel injection and electronic engine management systems for certified and experimental aircraft, Precision Airmotive is leading the way in the revitalization of general aviation.

Split the pot drawing won by Jeff Joern and he donated it back. Thanks Jeff!
& door prizes won by yours truly, \$50.00 gift certificate for H2O cutting service; Russ Olson won a cut out of a Corsair and Kirk Ogrin won a cut out of a biplane. Both items were products of the cutting demo. Thanks Dave and Katie.
