**Treasury Report** \$ 951.39 Annual Renewal Dues Paid         

*\$100 Paid to MPA for Christmas Party Share*

**New Business**

**Handout:** *Survey Results of membership options and viewed directions for the group*

**Website Discussion** concerning a EAA 102 developing a website and purchasing a domain name.

*EAA102.org Ry motioned and 2<sup>nd</sup> by Mark Evenoff to purchase a five year block for the domain name at a cost of \$45. Passed Unanimous; Continued research for as Web Host. Grassroots.org was suggested by Ry as a possibility due to the non-profit status of the group. The hosting is free and pending ability to make changes and additions to the site will determine its usability.*

**Barb Hicks** was nominated and passed unanimously to be the Fly-Out Coordinator for the Weekend Breakfast and/or Lunch Flyouts.

**Program Director** position received no Nominees; Several offered to look for speakers /presentors for the groups meeting. Including Dennis Lacy, Noel Dunlap, Ry Keller, Delbert Schnider and David & Maren Amnotte.

**Young Eagles** report was given by Dennis Lacy. The success of the last years Young Eagles Day at Red Eagle was over 90 kids receive a flight experience over 2 days. 20+ personel volunteered for those 2 days. Several pilots signed up as national EAA members in order to fly the children. Donations for fuel and the costs involved for the event were largely provided by non- eaa members or the pilots themselves.

At My request:

*Dennis also shared his progress with his organization "Flathead Youth Education Fund" \$50 from each student goes to purchase a national & local EAA membership and although our groups are separate we hope to work closely with Dennis as he encourages youth to enter the aviation field. Recent meeting for the Flathead Youth Aviation took place at Tom Hicks, who shared his project with the aprox. 10 kids with parents. David Schmeeckle spoke on aerodynamics. Several parents express interest in aviation education for their children.*

*Upcoming Beach Party to be coordinated with Jim at Red Eagle, who is planning one as well, or on a different date was discussed with no conclusion. Past year coordinators were not in attendance.*

*Members were encouraged to email or contact with any and all upcoming events they would like to see on the calendar of events.*

*Ry suggested a Event for Pilot Proficiency, Spot Landing, Leg Timing, Bomb Drop,*

***Meeting Adjourned Time: 8:15***
