

UTILITY CLUB NOTICE

So you think YOUR utilities are HIGH?

WELL.....

The Well @ Sunnyside will have monthly utility bills of \$3000! In order for The Well to succeed and fulfill its mission, these bills will have to be paid. And we think it's a GREAT idea to have several people gifting \$10/month to cover these costs. We need 300 people to take on this \$10 monthly commitment, allowing The Well to help the needy of Fayette County.

Want **to warm some hearts** with us, at a minimal cost comparable to 6 soft drinks or coffees a month?

Join the Utility Club's Select 300.

(Trust us, it will **warm YOUR heart** too.)
