

Appendix III(f). Table 5A. Genetic distance matrix for D-Loop sequence data for Avahi species. The numbers represent the following Avahi species: [1] Avahi peyrierasi type #2; [2] Avahi peyrierasi type #3; [3] Avahi peyrierasi type #1; [4] Avahi betsileo; [5] Avahi meridionalis; [6] Avahi ramanantsoavana; [7] Avahi laniger type #1; [8] Avahi laniger type #2; [9] Avahi species nova #4; [10] Avahi unicolor; [11] Avahi cleesei; and [12] Avahi occidentalis. Genetic distance based on absolute differences is displayed above the diagonal, and genetic distance based as a percentage is displayed below the diagonal.
