

Dear Jill,

8/7/11

I first would like to thank you for your efforts in making the Butch Reimer Memorial Scholarship possible. Secondly I would like to thank you and the selection committee for picking me for this award. It truly is an honor to be recognized as having similar positive qualities to Butch! I will be finishing my graduate degree in environmental science and policy this year as well as completing my last year of skiing. I would like to take this time to thank both you and coach Butch's efforts that made my time here at UWGB so rewarding. These truly have been the best years of my life and I will carry on Butch's memory in my thoughts and actions. Thanks again!
