## Friends of Weiser Meeting

The Friends of Weiser met at Minnichs Hit on Nov. 21<sup>st</sup> 2010. We had a picnic meal. Jim and Scott Theurer prepared hamburgers and hotdogs. Everyone brought a covered dish. We discussed completing the handicapped trail at Minnichs Hit picnic area. We walked what we thought was the proposed handicapped trail and discussed what it would take to complete it. We found that we were unsure of where the trail was to be placed. Jim said he would look into the exact placement. We also discussed several options on placement of hitching rails near the picnic area. We looked at a few places near the picnic area where we could potentially put horse campsites. Jim will check with the State Forestry to explore the possibilities and our limitations on placement of both hitching rails and horse camp sites. Jim said he would contact us to let us know when and where our next meeting would be.

Attendance for the November 21, 2010 meeting of  
The Friends of Weiser:

1. Jim Theurer
2. Marianne Theurer
3. Scott Theurer
4. Dee Miller
5. Robin Woland
