## CODE HEARING DEPARTMENT

The Village of Grandview has passed an Ordinance No. 11-04. The Ordinance established a Code Hearing Department. What this means to you? If a violation of one of our Ordinances has been issued, the Village of Grandview has the option to hold a hearing at the Village Office to enforce the Ordinance and/or administer any fines. We have the option of holding the hearing here at our office rather than having the hearing at the Sangamon County Courthouse. This will save the Village and the residents high court costs.

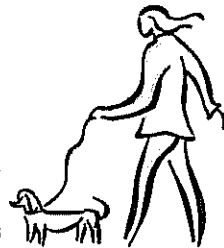

## GRANDVIEW POLICE

Grandview Police Department would like to remind residents **NOT** to leave their vehicles running. It is tempting to leave them outside your home to warm up, but we have had several vehicles stolen after residents have went out and started their car and went back inside. The Grandview Police Department rely upon you the resident to inform us if you see any suspicious activity in your neighborhood. We would rather be safe than sorry!! Please don't let your animals run free!!

## STORM WATER DRAINAGE

We are approaching the months that attribute to more water being forced through our storm water drainage systems. Residents are encouraged to remove all debris from their ditches and curbing, examples include: sticks, leaves, debris, etc. This will help avoid any blockage and possible flooding problems within your neighborhood. This helps you and your neighbors!!
